John "Jasper" Nolan  
Chairman, Saratoga County Republican Committee

- It has been the Republican Leadership in Saratoga County and our towns that have allowed us to prosper and become THE place to live in New York State. Don't let the opponents distract you from the fact that our Experienced Leadership Team has been working for you – the residents of Saratoga County.
- Imagine your property taxes being 212% higher, if you vote for the other candidates it may become a reality; just look at communities in New York State dominated by democratic leadership. They have population decline, high taxes and crumbling infrastructure. This is not what we want in Saratoga County.
